with The Noble *Shaykh Ḥasan ibn ‘Abd Al-Wahhāb Marzūq al-Bannā* (حفظه الله)

The following are the questions presented to the *Shaykh* with the corresponding minute marker from the audio:

1. I want to get married, however my parents want me to finish university. I believe if I do go against their wishes and get married they would be very disappointed in me and would carry some animosity. I am the only daughter and if I do marry there will be no one there to help my mother cook and clean. Would I be selfish for still choosing to get married? [00:00:49]
2. Regarding the distribution of time in polygyny, how is the time distributed when someone works at night and is home during the day? Is that time for him to utilize as he desires, or must that time be distributed fairly amongst his wives, and how? [00:06:59]
3. Is it permissible to be at one wife’s house after *Maghrib* on her co-wife’s night without her permission? [00:11:04]
4. Is it permissible to have intercourse with one wife on another wife’s night (at night NOT in the daytime)? [00:14:59]
5. Our brothers *Abū Khadījah* and *Abū Ḥakīm* visit us every year for an annual conference and they will be here in two weeks, *bi’idhnillāhi Ta’āla* (meaning in Trinidad). Some individuals have been saying that the brothers from *Salafi Publications* cause *fitnah* everywhere they go in the world as they have been warning against a certain *dā’ī* (caller) here in Trinidad who has been

opposing the *Salafī usūl* (principles). What advice can you offer us here in Trinidad and what do you, O our father say about *Abū Khadījah* and *Abū Ḥakīm*? [00:23:50]
