The following are the questions presented to the *Shaykh* with the corresponding minute marker from the audio:

1. If a person has a tree in their yard, but they do not know who planted it, is it permissible to eat from its fruit and share them with others? [00:00:39]
2. There is a *salafī* student of knowledge who has recently started warning against our brothers from *Salafī* Publications. Every time they visit us he tells the youth not to attend the lectures and sittings of *Abū Khadījah* and *Abū Ḥakīm* as they cause fitnah in every country they visit. He was asked on more than one occasion to sit with *Abū Khadījah* or *Abū Ḥakīm* in person when they visit, and bring forth his grievances, but he refused. He even says that he will not sit with the brothers in front of *Shaykh Rabī’* or *Shaykh ‘Ubayd*, but only in front *Shaykh ‘Abd Al-Muḥsin*. Should we warn against this brother as we have been patient against his harms for over a year now? What do you advise, O *Shaykh*? [00:04:46]
3. Can a sister divorce her husband because their children are going astray and he is not making an effort to teach them *Islām*? [00:26:30]
