

Weekly Question & Answer Session

with The Noble Shaykh Ḥasan ibn ‘Abd Al-Wahhāb Marzūq al-Bannā (حفظه الله)

Wednesday 19th Dhul-Hijjah, 1437 | 21st September, 2016

Audio ID: HABA_QA_20160921_ar_eng

The following are the questions presented to the Shaykh with the corresponding minute marker from the audio:

1. What is your advice, O Shaykh, knowing these refugees were brought into the states through Christian and Jewish organizations? What are the guidelines for the people, us *Ahl as-sunnah*, helping our own brothers and sisters of *Ahl as-sunnah* that came from foreign lands recently through these organizations? [00:00:45]
2. In *bilād al-Kufr* the government wants to get hold of those who share the same ideologies as the *Dā’ish*, so they assumed that those who look and dress like them share the same ideology. They secretly hire *Muslims* who go to the *Muslims* and ask them about *Jihād*, bombings, *Sharī’ah*, democracy and so forth, while the conversation is taped, when we clearly say that we do not have the same view as the *Khawārij*, they do not leave us alone and continue to ask questions such as, if we prefer *Sharī’ah* over democracy. My question is, are we allowed to support those *Muslims* who work for the government, when we have confirmation from them that they indeed work for the government? And what advice do you have for the *Muslims* who have been tried and thus are scared? [00:27:37]
