The following are the questions presented to the Shaykh with the corresponding minute marker from the audio:

1. Some of us brothers here in Columbus happen to be conducting some businesses’ with some brothers on the other side of town where they have no *Salafī masjid*. So, when the time for *ṣalāh* enters there are two options close by; one is a *masjid* upon *Jamā’atul-Tablīgh* methodology and the other is upon *Ṣūfīyyah* from West Africa. What should we do then, O *Shaykh*? Especially when some of them are warning against our *Salafī* brothers and some may take advice from us regarding some of what they are upon?

2. How should a *Muslim* man deal with his children of the bed? [00:35:32]
3. We are from the *Salafī* youth from the Philippines, *alḥamdulillāh Allāh* has guided us to the clear *Salafī* methodology through the dawah and efforts of our elder brothers from *Salafī* Publications, may *Allāh* reward them. However, we have no *Salafī Markaz* or any *Salafī du’āt* yet in our country, what do you advise us to do in our situation? May *Allāh* prolong your life.
